Call to Worship Song

Holy Lord, most holy Lord,
You alone are worthy of my praise,
O holy Lord, most holy Lord,
with all of my heart I sing
Great are You Lord; worthy of praise,
Holy and true. Great are you Lord,
most holy Lord

Prayer Song

Let our voices rise like incense,
Let them be as sweet perfume.
Let our praises fill the temple,
Alleluias ringing ever new.
Holy, Holy, is the Lord Almighty
Holy, Holy, is the Lord our God

An Interim Therapeutic Restoration (ITR) is a small filling that is placed on a tooth to prevent more tooth decay or to slow down decay that is present. The filling is a thin filling that is painted on the tooth and a blue light is shined on it. Getting an ITR is simple and painless. No shots, numbing or drilling is necessary. There may be some slight discomfort during the procedure.

An ITR is a temporary filling that will stop decay in the tooth from getting worse. It is recommended that you still see a dentist in the future. The dentist can decide if the ITR will last or if a permanent filling is better.
